

Thank you for choosing us as your primary care provider. We are committed to providing you with quality and affordable health care. Please read our updated payment policy and ask us any questions you may have.

Insurance: We participate in most insurance places, including Medicare. If you are not insured by a plan we do business with, payment in full is expected at each visit. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

Proof of Insurance: We must obtain a copy of your current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you will be responsible for the balance of the claim.

Co-payments and deductibles: All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company.

Claims Submission: We will submit your claims and assist you in any way we can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the allowable balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.
